

NOTES OF THE WEEK.

The schooner *Bowdoin*, Capt. Berill, sails for Sydney, to-day, at 10 or 11 o'clock. She carries a full cargo of produce.

The semi-weekly newspaper *Nabob* suspended on Friday last. Like most publications here, its receipts probably did not meet its expenses.

Mr. Barlow will to-day sell furniture at the residence of Dr. Hatchinson, and to-morrow Mr. Adams will sell furniture at Dr. Whaley's, corner of Fort and Chapman streets.

The British iron-clad *Repose*, the new flag ship of the Pacific Squadron, left Valparaiso a short time before the arrival there of the *Portsmouth*. She was bound to Callao and Panama. From thence she would proceed north, but whether via Honolulu or not, was not known.

HAWAIIAN HOTEL.—The following are the arrivals since our last:

C. H. Tilton, U.S.N.	S. S. Graham, U.S.N.
J. P. Parker, U.S.N.	M. F. Jones, U.S.N.
T. H. Conway, U.S.N.	H. Harton,
W. C. Parkes,	A. Mack.

By the last mail we have tidings of the death of Colonel L. W. Hooper, whom many of our readers will remember. He died in Boston, April 12, respected and beloved by all who knew him. His record in the late war was a most brilliant one, and his name will long be remembered as among the bravest of the many.

Mojo, T. Bellamy and family are expected to arrive here in the steamer *Costa Rica*. It will be remembered that he returned to France on leave of absence from his Government. He will resume the office of Consul and Consul, which has been temporarily filled, during his absence, by Moja H. Le Monnier.

ASIAN.—A Chinaman employed as the Omeone Plantation struck the overseer, Mr. Ben. Macy, on the 10th of May, with a bow, inflicting a severe wound on his head. A letter from the Sheriff states that there was no provocation on the part of the overseer. An examination of the case will be held as soon as Mr. Macy is able to attend and give evidence.

The American ship "Electra," at Vallejo-Street wharf, has got almost all her cargo out, and having been chartered to carry a cargo of guano from Endeavor Island to Europe, will sail from here for Honolulu at an early date. She will carry freight, etc., to the Sandwich Islands on most advantageuous terms, it is estimated that she will merely pay for the handling.—Alta, May 14.

When the last mail left San Francisco the celebrated divine, Rev. Henry Ward Beecher, was expected in that city. Dr. Stone had received a letter from him stating that he would be there on May 19th. We hope he may be able to fulfil his promise to make us two years ago, to visit Honolulu. He will be welcomed here by many who know him personally, or by reputation.

Major W. L. Mochon, who was already a life member of the Queen's Hospital Association, has generously contributed Fifty Dollars to the institution.

In this connection, we may note that the steward of the Hospital has received a donation of two bags of sugar from Messrs. Campbell & Tilton, of Lahaina. Donations of this kind will be always welcome, especially when the income is as limited as now.

The Band will play at the Hotel on Thursday evening. The following is the programme:

PART I. Major General March, Music, Drums, Snare Drums, Bass Drums, Singers' Pleasure Party.
PART II. Selections, Opera & Drama, J. Tilton, Author, Mrs. Parker, Officiant, Miss Wright, Piano.

SALOON HOME.—The Executive Committee of the Sailors' Home Society have made arrangements with Mr. E. Duscombe to take charge of the "Home," when Mrs. Waittens retires. The late sale of furniture did not include any articles belonging to the seamen's apartments, but only such as the keeper of the "Home" furnished for private lodgers and boarders. Hereafter, seamen and transient lodgers will find accommodations as in former times. Mr. Duscombe's appointment to take charge of the "Home" is a guarantee that it will be well looked after, and that seamen will always find a "Home" in Honolulu.
